With the wealth of colorful characters described in the book of Judges, scholars and general readers alike have a strong fascination for Israel's leaders in its earliest days. Theologians and biblical scholars from Luther on have found it difficult to relate to these figures. From a Pentecostal point of view, in particular, those characters can sometimes be an embarrassment. Through a fresh hearing of The Unheard Voice of God the positive message of the book of Judges can become more apparent and accessible. Readers are shown a crucial part of the book's dynamics which they may have missed. In *The Voice of the Coyote*, J. Frank Dobie melds natural history with tales and lore in articulating the complex and often contentious relationship between coyotes and humans. Based on his own life experiences in Texas and twenty-five years of research, Dobie forges a sympathetic and nuanced picture of the coyote prefiguring later environmental and conservation movements. He recognizes the impact of human action on the coyote while also examining the prominent role of the coyote in the myths and legends of the West. It Was Supposed to be a Four-Day Visit It turned into a 445-day imprisonment. And if God had not intervened, he would have been there for the rest of his life. In December 2015, Petr Jasek traveled to Khartoum, Sudan, to evaluate

how The Voice of the Martyrs—a ministry he had served with since 2002—could help and encourage persecuted Sudanese Christians. Pleased with his meetings with local pastors and other Christians, Petr checked in for his flight home to the Czech Republic. But before he could board the plane, he was summoned for questioning by Sudanese security agents. They wanted to know more about his activities in the country—activities that, if disclosed, could endanger the Christians with whom he had met. Petr soon realized he was facing much more than a routine security screening. The guards took his computer, phone, and camera before quickly discovering his second passport. Later, his interrogators showed him photos of each meeting he had arranged during his four days in Sudan; he had been under surveillance from the moment he arrived. Taken into custody, Petr knew he would not be returning to his family anytime soon. Charged with espionage, waging war against the state, and undermining the constitution, he was locked up with ISIS fighters, convicted after a lengthy trial, and sentenced to life in prison. Now Petr shares the harrowing but inspiring story of how God sustained his strength and courage while giving him a new purpose during his ordeal—and then opened the prison doors and set him free.

The ordinary life of a grad student was so boring for Ariane. She was desperate for some change, some excitement to shake things up. She had no idea she was only one step away from a whole new world—a world of darkness and decay, of eternal life and eternal death. But once she fell prey to Ricari she would learn more about this world than she ever dreamed possible. More than anyone should dare to know...if they value their soul.

Classic Text on Prophecy Revised for a New Generation Bestselling author Cindy Jacobs, known internationally as a leading prophetic voice, brings a foundational book for the prophetic movement to the next generation of believers. In this fully revised and updated edition, Jacobs offers a practical, biblical examination of the gift of prophecy, showing how it can be the pathway for the powerful, life-giving work of God. Every reader

can learn the basic protocols as well as avoid the pitfalls that come with undisciplined prophetic ministry. The Holy Spirit is looking for individuals willing to hear the voice of God and speak it with wisdom and maturity. This vital work explains how. "A compilation from the colored press of America for the four months immediately succeeding the Washington riot. It is designed to show the Negro's reaction to that and like events following, and to the World War and the Discussion of the Treaty." -- Preface. **TAKE CONTROL OF YOUR THOUGHTS** Not mastering the voices in your head will eat away at your self-worth, poison your relationships, stunt your growth as a person, and complicate your life. You will often find yourself going to bed angry, waking in a panic, getting up feeling exhausted, and then blindly repeating the cycle all over again. **YOU CAN FIND PEACE OF MIND.** In *The Four Voices*, you're going to learn how to identify those voices and conquer the feelings that keep dragging you down. With God's help, you can set your heart and mind free. *If You Believe Miraculous Gifts Have Ceased, You're in for a Big Surprise!* What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his arguments against miraculous gifts were based more on prejudice and lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in a popular style, with the care of a scholar but the passion of personal experience, this book explores: - The real reason Christians do not

believe in miraculous gifts - Responding to Charismatic abuses -
Were miracles meant to be temporary? - Why God still heals

To the west, a sheltered girl seeks to find her place in the world. To the south, a

young man's life changes after he dies. Together, they will change the world—whether they intend to or not. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization is a registered Organisation that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. In 1969, at the height of the Cold War, a group of British Christian researchers and activists, moved by the persecution of believers in the Soviet Union, established an organization dedicated to the study of religion under communism. They had two major goals: to educate the public about religious persecution and to promote academic analysis of religion in communist societies. The organization they founded, eventually named Keston College, amassed an extraordinary collection of primary source and research materials, used by its personnel to document the experiences of persecuted believers in the Soviet bloc and beyond and to publicize human rights violations against believers of all faiths. This formed the basis of a unique collection, called the Keston Archive, now at Baylor University. *Voices of the Voiceless*, edited by Julie deGraffenried and Zoe Knox, presents readers with twenty-five essays on a curated selection of images and artifacts from the Keston Archive. Some of the world's leading authorities on religion and communism as well as experts personally involved with the operation of Keston College carefully selected and provided commentary for these images. The archival material presented in the book offers vivid testimony of this critically important era in the history of religion and of the Cold War. A

guided look into the past, *Voices of the Voiceless* reveals the power of what atheist and antireligious regimes sought to silence. This collection documents how believers fought for religious freedom, coped with oppression, and practiced their faith, individually and collectively, in states hostile to religion. It also presents atheist propaganda produced by communist regimes that aimed to marginalize and ultimately eradicate religion. This book offers insights into how faith survived--and even flourished--during one of the most intense antireligious campaigns of the modern era. *Journey alongside Persecuted Christians* Take a 40-day journey to meet brothers and sisters who share in the sufferings of Christ. When *Faith Is Forbidden* takes you to meet a Chinese Christian woman who called six months in prison "a wonderful time," an Iraqi pastor and his wife just eight days after assassins' bullets ripped into his flesh, and others from our spiritual family who've suffered greatly for wearing the name of Christ. Each stop on this 40-day journey includes inspiration and encouragement through the story of a persecuted believer. You'll also find space for reflection and a suggested prayer as you grow to understand the realities of living under persecution—and learn from the examples of the bold believers you'll meet. For more than 20 years, Todd Nettleton (host of *The Voice of the Martyrs Radio*) has traveled the world to interview hundreds of Christians who've been persecuted for the name of Christ. Now he opens his memory bank—and even his personal journals—to take you along to meet bold believers who will inspire you to a deeper walk with Christ. During his ministry, which included extended pastorates in Chicago and Toronto, Dr. Tozer was often referred to as a prophet. That doesn't mean he predicted future events, but rather he spoke God's truth to believers and the culture, even if it meant disrupting the status quo. Even in the Bible, prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future. The encouragement in *Voice of a Prophet* is that the

church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book. Using the lives of such prophets as Elijah, Elisha, and John the Baptist, Tozer underscores the importance of the ministry of the prophet in our world today. What would you do for the cross of Christ? For two thousand years, Christians have courageously triumphed over beatings, stonings, burnings, wild beasts, and every form of evil to boldly proclaim one truth: the name of Jesus. *Voices of the Martyrs AD 33 – Today* is their story and your Christian heritage. In the 16th century, English preacher John Foxe created what would later be called the “second most important book in history” after the Bible: Foxe’s *Book of Martyrs*. With dozens of images, modernized English, and up-to-date accounts, *Foxe: Voices of the Martyrs* faithfully binds the testimonies of more than 50 of Foxe’s heroes from the Early Church to the Reformation with Christians in the Enlightenment, the Industrial Revolution, and through the twentieth century. More importantly, *Foxe: Voices of the Martyrs* unites past Christians with believers today. Building on over fifty years of ministry to persecuted Christians, *The Voice of the Martyrs* organization shares sixty-seven stories of Christians who have stood faithfully to the death since 2000. Their courage in the face of ISIS and the Taliban, brutal dictatorships, and government crackdowns will inspire you to boldness and remind you that the same Spirit of Christ Who strengthened Stephen, Peter, and Paul is at work in you today. Eight women from eight very different backgrounds. Yet the struggles they each faced rang with eerie similarity. These courageous women from across the globe-Pakistan, India, Romania, Former Soviet Union, China, Vietnam, Nepal, Indonesia-shared similar experiences of hardship, subjugation, and persecution, all because of their faith in Christ. Yet all of these women have emerged from adversity as leaders and heroines. The eight modern-day pilgrims featured in *Hearts of Fire* are the hidden jewels in the church universal. They are worthy role models of faith and passion,

and women of every age will gain new strength and hope for their own times of crisis and trial as they read these inspiring stories. Each story concludes with thoughtful self-reflection questions for the reader. Jews, Christians, and Muslims all believe that their Scriptures preserve God's words to humanity, and that those words were spoken uniquely to them. In *The Voice, the Word, the Books*, F. E. Peters leads readers on an extraordinary journey through centuries of written tradition to uncover the human fingerprints on the Hebrew Bible, the New Testament, and the Quran, sacred texts that have enriched millions of lives. Bringing the latest Biblical and Quranic scholarship to a general audience, Peters explains how these three powerfully influential books passed from God's mouth, so to speak, to become the Scriptures that we possess today. He reveals new insights into their origins, contents, canonization, and the important roles they have played in the lives of their communities. He explores how they evolved through time from oral to written texts, who composed them and who wrote them, as well as the theological commonalities and points of disagreement among their adherents. Writing in the comparative style for which he is renowned, Peters charts the transmission of faith from the spoken word to the printed page, from the revelations on Sinai and Mount Hira to Mamluk ateliers in Cairo and Gutenberg's press in Mainz. Peters is an acknowledged expert who has written extensively on these three great world religions, each of them an inheritor of the faith of Abraham. Published in conjunction with an exhibit at the British Library, this illustrated book includes beautiful images of the rare editions on exhibit and constitutes Peters's most ambitious and illuminating examination yet of the sacred texts that so inform civilization both East and West. "In this stunning biography of Fannie Lou Hamer, we walk beside her through tears and smiles on a remarkable journey of resilience and determination that leaves us transformed." — Booklist (starred review) Despite fierce prejudice and abuse, even being beaten to within an inch of her life, Fannie

Lou Hamer was a champion of civil rights from the 1950s until her death in 1977. Integral to the Freedom Summer of 1964, Ms. Hamer gave a speech at the Democratic National Convention that, despite President Johnson's interference, aired on national TV news and spurred the nation to support the Freedom Democrats. Featuring vibrant mixed-media art full of intricate detail, *Voice of Freedom* celebrates Fannie Lou Hamer's life and legacy with a message of hope, determination, and strength. Catholics around the world rely on the Catholic saints for guidance and inspiration . . . so it's important that the saints and their stories be easy to find. *Voices of the Saints* by Bert Ghezzi provides readers with many convenient ways to look up 365 Catholic saints: chronologically, alphabetically, by feast day, even by theme. The saint's patronage is also listed when available, as is the date of beatification or canonization. While the reference possibilities are abundant, the inspiring stories of these saints are still the primary focus of the book, and each entry is written in such a way as to help us feel the companionship of the saint. The voice of each saint comes through clearly in quotations drawn from their own writings, the recollection of witnesses, and the careful work of biographers. Introduction: Personally speaking -- Baby talk -- Origins -- Emotion -- Language -- Sex and gender -- The voice in society -- The voice of leadership & persuasion -- Swan song. Book 1 in the 3-book historical Christian fiction series by the New York Times bestselling author of *Redeeming Love* and *The Masterpiece*. The first book in the beloved *Mark of the Lion* series, *A Voice in the Wind* brings readers back to the first century and introduces them to a character they will never forget—Hadassah. While wealthy Roman citizens indulge their every whim, Jews and barbarians are bought and sold as slaves and gladiators in the bloodthirsty arena. Amid the depravity around her, a young Jewish slave girl becomes a light in the darkness. Even as she's torn by her love for a handsome aristocrat, Hadassah clings to her faith in the living God for deliverance from the forces of a

decadent empire. Includes discussion questions suitable for individual use or group discussions “Francine unlocks the longing in each one of us to connect to God in a deeper, life-changing way. No one reading her books will ever be the same again.” —Debbie Macomber “As we ‘watch’ Hadassah and Atretes struggle through first-century trials, we learn how to handle similar situations in the twenty-first century. The ‘costumes’ may vary, but our Lord does not change.” —Angela Hunt “Francine redefined Christian fiction—honest, unflinching, powerful, life-changing—demonstrating why storytelling is the most effective way to communicate God’s truth. Every Christian novelist writing today owes a debt of gratitude to Francine Rivers for lighting the way.” —Liz Curtis Higgs “Francine Rivers writes from her heart to touch the hearts of her readers. Her books are essential reading for all who love Christian fiction.” —Bodie Thoene “Francine Rivers puts readers right into the history of the moment.” —Romantic Times

Sample Book Insights: #1 The adventure of seeking God’s heart and hearing His voice is the joy of every day. As you read these pages, I pray that any boxes, limitations, or lies you’ve believed about the way God speaks and what He might say if you lean in close will be suddenly broken off you. #2 The word remarkable means worthy of attention, striking. It is an invitation into hearing remarkable secrets about things you don’t know. Over the years of seeking His heart and growing in hearing from Him, I have learned so much. #3 I had such a longing and drawing to Jesus as a young girl that I would sit in front of the television at Easter and Christmas and watch movie after movie about Jesus. I had a deep yearning and hunger to know Jesus, and my heart burned within me to hear from Him. #4 The author began hearing from God, but never felt the breath of His Spirit. One night, He showed up again, and His presence was so heavy and His power so strong that the author wept for hours. He invited the author into a place of deep communion with Him. For a

woman of the 12th century, Hildegard of Bingen's achievements were so exceptional that posterity has found it hard to take her measure. Hildegard authority Barbara Newman brings together major scholars to present an accurate portrait of the Benedictine nun and her many contributions to 12th-century religious, cultural, and intellectual life. 18 illustrations. O'Brien begins with the primary voice of the Church: baptism, gospel, and Eucharist. He contends that too much official teaching from the Roman magisterium to the local pulpit reverses the order of the ancient formula *lex orandi, lex credendi* (the law of prayer is the law of faith) and therefore misses its message. In the second part of the book, he turns to specific consideration of the papal voice as the teaching voice of the Church. O'Brien concludes with a series of practical suggestions for how the practices and institutions of the Church can again become the authentic voice of faith. This is a book all concerned Christians will want to read and discuss. "With a grace and humor that can only be the result of hard won wisdom, O'Brien in this book illustrates the joy that rightly shapes the voice of the church. Do not be deceived by O'Brien's modesty--this is an extremely important book about theology that only a philosopher could write. In this work O'Brien helps Christians find confident speech by helping us find our part in God's drama of redemption." --Stanley Hauerwas, Gilbert T. Rowe Professor of Theological Ethics, Duke Divinity School "George Dennis O'Brien is one of the Wise Men of contemporary Catholicism, a trained philosopher, and an experienced and savvy University President. In this dazzling book he develops a unique theory of Christology of God as the author of the "World Play" who intervenes in history to confirm his story and then lays out a theory of infallibility which seems eminently sensible, an infallibility with a properly fatherly (or motherly) voice. Some conservatives won't like it, but as a layman and retired university president, they can't do anything about it! As long as there are men like O'Brien writing, the Church hasn't yet lost its voice." --Andrew Greeley, author of The

Catholic Revolution "This important book shows us anew how to think about church directly, analytically, and even poetically. A major event." --David Tracy, emeritus, The University of Chicago Divinity School "What makes this book a must is that it is not only creative, it is also a new kind of theological voice in the American Catholic church. O'Brien is neither a cleric nor an academic theologian. But he is a wise and discerning Catholic layman who has much to teach both the clerics and the theologians. There is absolutely nothing else out there that is like it." --Paul Lakeland, Aloysius P. Kelley, S.J., Professor of Catholic Studies, Fairfield University

Finding the Voice of the Church is written for a broad audience interested in the challenges facing the contemporary Catholic Church. These challenges are ones that should concern all Christians, not only Catholics. Noted scholar and commentator George Dennis O'Brien poses (and answers) three provocative questions: What is the proper voice of the church? Is there a voice of Christian faith? Can what is said about Christianity be fundamentally distorted by how it is said? Through his clear and relevant discussion of the basic content of Christianity, O'Brien concludes that the primary voice of Catholic Christianity, the papal teaching voice, must be radically "re-understood" if the Church is to be the proper medium and voice of the gospel message. You may think of martyrs as those who gave their lives for the faith in the early church. But today, Christians around the world continue to stand boldly for Christ despite ongoing persecution. These are their stories.

- Pastor Han--Stabbed to death by North Korean agents for sharing the gospel with North Koreans in China
- Jean-Pierre Werner and Rodé Groenewald--Killed in a Taliban attack on their home in Afghanistan
- Fatima Al-Mutairi--Killed by her brother after becoming a Christian in Saudi Arabia
- Habila--Survived being shot in the face by Boko Haram militants after refusing to renounce Christ

Persecution has always accompanied followers of Jesus, who invited His followers to come and die. Some were jeered at, and

their backs were cut open with whips. Others were chained in prisons. Some died by stoning, some were sawed in half, and others were killed with the sword. Some went about wearing skins of sheep and goats, destitute and oppressed and mistreated. They were too good for this world, wandering over deserts and mountains, hiding in caves and holes in the ground. --Hebrews 11:36-38 Faithful Christians around the world are still suffering and dying for the name of Christ. Their stories inspire and encourage each of us to follow Christ, no matter the cost. In 2001, The Voice of the Heart began a steady journey into the lives of those looking for more. Since its initial release, The Voice of the Heart has been handed one friend to another and has helped thousands of people begin to speak the truth of their story and to live more fully from the heart. Answer the call to full living.
