Hummingbird Aug 10 2021 Follow a tiny hummingbird on its journey from Central America to Central Park in a captivating tale with exquisite illustrations echoing the creature's jeweled tones. Tz'unun! Tz'unun! A buzz of wings, a flash of color . . . There's a very special visitor in Granny's garden. It's a hummingbird! And it's just about to begin its long migration, heading north to its nesting ground. Watch as it spreads joy to all who encounter it along its two-thousand-mile trek. In an engaging text sprinkled with facts, zoologist Nicola Davies introduces readers to this valiant bird, lighter than a nickel, while Jane Ray's lush,

intricate illustrations, accented in gold Pantone, highlight its jewel-like beauty. More details about hummingbirds, along with a bibliography and an index, are available at the end to budding ornithologists.

Under My Thumb Oct 20 2019 Women write about their experiences of loving music that doesn't love them back — a feminist 'guilty pleasures' — a kind of feminist guilty pleasures. In the majority of mainstream writing and discussions on music, women appear purely in relation to men as muses, groupies or fangirls, with our own experiences, ideas and arguments dismissed or ignored. But this hasn't stopped generations of women from loving, being moved by and critically appreciating music, even — and sometimes especially — when we feel we shouldn't. **Under My Thumb: Songs that Hate Women and the Women Who Love Them** is a study of misogyny in music through the eyes of women. It brings together stories from journalists, critics, musicians and fans about artists or songs we love (or used to love) despite their questionable or troubling gender politics, and looks at how these issues interact with race, class and sexuality. As much celebration as critique, this collection explores the joys, tensions, contradictions and complexities of women loving music — however that music may feel about them. Featuring: murder ballads, country, metal, hip hop, emo, indie, Phil Spector, David Bowie, Guns N' Roses, 2Pac, the Rolling Stones, Bob Dylan, AC/DC, Elvis Costello, Jarvis Cocker, Kanye West, Swans, Eminem, Jay-Z, Taylor Swift, Combichrist and many more.

High Spirits Sep 30 2020 A collection of eighteen stories about ghosts and other haunting tales of the supernatural.

The Sight Mar 05 2021 In the shadow of an abandoned castle, a wolf pack seeks shelter. The she-wolf's pups will not be able to survive the harsh transylvanian winter. And they are being stalked by a lone wolf, Morgra, possessed of a mysterious and terrifying power known as the sight. Morgra knows that one of the pups born beneath the castle holds a

key to power even stronger than her own—power that could give her control of this world and the next. but the pack she hunts will do anything to protect their own, even if it means setting in motion a battle that will involve all of nature, including the creature the wolves fear the most—Man.

All Played Out Oct 24 2022 Italia '90 - Gazza cried and football changed forever. Once you could ignore football, avoid the back pages, turn the telly over, leave the pub. Now that's not possible because on 4 July 1990 in Turin's Stadium of the Alps gazza cried, England lost and football changed forever. Pete Davies witnessed all of this first hand. The players, the hooligans, the agents, the journalists, the fans - the full cast of football's rowdy circus. For nine month he had access to the England squad and their manager, Bobby Robson, talking to them freely about their hopes, their fears, their methods and their lives. So this is the real story, the unedited verdion. All Played Out - the first and last book to give the inside story of the greatest show on Earth. 'Pete Davies is incapable of writing a dull sentence...one of the most outrageously entertaining books of the year' Daily Post.

Lost May 19 2022 Essie can tell from the moment she lays eyes on Harriet Abbott: this is a woman who has taken a wrong turn in life. Why else would an educated, well-dressed, clearly upper-crust girl end up in the Triangle Shirtwaist Factory setting sleeves for six dollars a day? As the unlikely friendship between Essie and Harriet grows, so does the weight of the question hanging between them: Who is lost? And who will be found? This is a powerful novel about friendship, loss, and the resiliency of the human spirit, set against the backdrop of the teeming crowds and scrappy landscape of the Lower East Side of Manhattan in the early 1900s.

Lying for Money Apr 25 2020 An entertaining, deeply informative explanation of how high-level financial crimes work, written by an

industry insider who 's an expert in the field. The way most white-collar crime works is by manipulating institutional psychology. That means creating something that looks as much as possible like a normal set of transactions. The drama comes later, when it all unwinds. Financial crime seems horribly complicated, but there are only so many ways you can con someone out of what 's theirs. In *Lying for Money*, veteran regulatory economist and market analyst Dan Davies tells the story of fraud through a genealogy of financial malfeasance, including: the Great Salad Oil swindle, the Pigeon King International fraud, the fictional British colony of Poyais in South America, the Boston Ladies ' Deposit Company, the Portuguese Banknote Affair, Theranos, and the Bre-X scam. Davies brings new insights into these schemes and shows how all frauds, current and historical, belong to one of four categories (" long firm, " counterfeiting, control fraud, and market crimes) and operate on the same basic principles. The only elements that change are the victims, the scammers, and the terminology. Davies has years of experience picking the bones out of some of the most famous frauds of the modern age. Now he reveals the big picture that emerges from their labyrinths of deceit and explains how fraud has shaped the entire development of the modern world economy.

Vintage Mystery and Detective Stories Mar 25 2020 This is a richly entertaining collection of stories from the golden age of crime fiction - a period when crimes were solved by the wit and ingenuity of the sleuth with only his own intelligence to rely on

Extreme Economies Apr 06 2021 A New Statesman best book of the year | New York Times Editors' Choice pick A Financial Times best economics book of 2019 An accessible, story-driven look at the future of the global economy, written by a leading expert To predict our future, we must look to the extremes. So argues the economist Richard Davies, who takes readers to the margins of the modern economy and beyond in his globe-trotting book. From a prison in rural Louisiana where inmates purchase drugs with prepaid cash cards to the poorest major city on earth, where residents buy clean water in plastic bags, from the world's first digital state to a prefecture in Japan whose population is the oldest in the world, how these extreme economies function—most often well outside any official oversight—offers a glimpse of the forces that underlie human resilience, drive societies to failure, and will come to shape our collective future. While the people who inhabit these places have long been dismissed or ignored, Extreme Economies revives a foundational idea from medical science to turn the logic of modern economics on its head, arguing that the outlier economies are the place to learn about our own future. Whether following Punjabi migrants through the lawless Panamanian jungle or visiting a day-care for the elderly modeled after a casino, Davies brings a storyteller's eye to places where the economy has been destroyed, distorted, and even turbocharged. In adapting to circumstances that would be unimaginable to most of us, the people he encounters along the way have helped to pioneer the economic infrastructure of the future. At once personal and keenly analytical,

Extreme Economies is an epic travelogue for the age of global turbulence, shedding light on today ' s most pressing economic questions.

Storytelling in the Classroom Jul 29 2020 `Too afraid to have a go at oral storytelling in the classroom? This is the book for you!...The book guides you through choosing a tale you really enjoy, knowing your audience and not being afraid to adapt a tried and tested fairy tale - Literacy Time `This book is ideal for all adults working with children

(mainly at primary level) and would be especially useful for those less confident or who are new to their role. It provides a great opportunity to practise an inspirational and creative approach to teaching and learning...I really enjoyed this book and took away much to think about - Ruth Underwood, primary inclusion co-ordinator`The ability level for this book is aimed at teachers teaching ages 5-11 and I'd say the author has it spot on. As an educational resource I rate this book highly and think it is a valuable read for all primary teachers. It helps you to think of how you can use storytelling as a tool in ways you won't have thought of before. It's a very enjoyable read and if you're pushed for time you can just dip into the parts you want. I definitely recommend it - TES website

Mothers of Sparta Jul 21 2022 “ Davies' collection of essays soars.... It's a memoir that locates the profound within the ordinary. ”
—Entertainment Weekly If you ' re looking for a typical parenting book, this is not it. This is not a treatise on how to be a mother. This is a book about a young girl who moves to a new town every couple of years; a misfit teenager who finds solace in a local music scene; an adrift twenty-something who drops out of college to pursue her dream of making cheesecake on a stick a successful business franchise (ah, the ideals of youth). Alone in a new city, she summons her inner strength as she holds the hand of a dying stranger. Davies is a woman who finds humor in difficult pregnancies and post-partum depression (after reading “ Pie ” you might never eat Thanksgiving dessert the same way). She is a divorcee who unexpectedly finds second love. She is a happily married suburban wife who nevertheless makes a mental list of all the men she would have slept with. And she is a parent who finds herself tested in ways she could never imagine. In stories that cut to the quick, Davies explores passion, loss, illness, pain, and joy, told from her singular, gimlet-eyed, hilarious perspective. Mothers of Sparta is not a blow-by-blow of Davies ' life but rather an examination of the exquisite and often painful moments of a life, the moments we look back on and say, That one, that one mattered. Straddling the fence between humor and, well...not humor, Davies has written a book about what it ' s like to try to carve a place for oneself in the world, no matter how unyielding the rock can be.

Writing Africa in the Short Story Aug 30 2020 The success of the Caine Prize for African Writing and the growth of online publishing have played key roles in putting the short story in its rightful place within the study and criticism of African literature.

Tricking the Tallyman May 27 2020 Are kids interested in learning about the very first American census? Probably not. Do young readers clamor for stories set in the very, very olden days of the late 18th century? Uh, not really. Okay, but do they like nutty cat-and-mouse trickery, wacky slapstick, and animals disguised as people? You bet! So let them have all that, and if they end up learning a thing or two about our country, its history, and the ways our government works, shhh . . . we won't tell! Tricking the Tallyman accomplishes the tricky task of showing kids the way the 1790 census was tabulated (or tallied) and how the country's new citizens came to understand (after much misunderstanding) how it worked to help them and the country.

Excellent for classroom use or to put in the hands of bright kids with a taste for the quirky and irreverent, young readers may enjoy this story so much they might not even notice how much they've learned!

Tad Apr 18 2022 * Indie Next List Selection * Winner of the Oscar's Book Prize * From Benji Davies, the award-winning creator of The Storm Whale and illustrator of the Goodnight Already! series, comes a heartwarming and tender tale about courage and growth, featuring a special tadpole named Tad. Tad is small. In fact, she is the smallest almost-a-frog in the whole, wide pond. That makes it hard for her to do big things like follow her tadsiblings who swim to other parts of the pond

when they outgrow the nest. As her tadbrothers and tadsisters swim up, up, up, they leave poor Tad by her lonesome. That 's until...Big Blub shows up! He's not only bigger than Tad, but Big Blub isn't exactly what a tadpole would consider friendly. Swimming at her own pace, Tad soon learns how to to be bigger than her fears. Benji Davies creates a memorable and timeless tale that proves sometimes the mightiest creature comes in the smallest package.

About Time Mar 17 2022 Examines the ramifications of Einstein's relativity theory, exploring the mysteries of time and considering black holes, time travel, the existence of God, and the nature of the universe

The Mission House Oct 12 2021 The Sunday Times (London) 2020 Novel of the Year “ Luminous...a writer to watch—and to savor. ” —Oprah Daily From the award-winning author of West and The Redemption of Galen Pike, a “ sublime ” (The Toronto Star) and propulsive novel that follows an Englishman seeking refuge in a remote hill town in India who gets caught in the crossfire of local tensions. In this “ jewel of a novel ” (The Observer), Hilary Byrd flees his demons and the dark undercurrents of contemporary life in England for a former British hill station in south India. Charmed by the foreignness of his new surroundings and by the familiarity of everything the British have left behind, he finds solace in life 's simple pleasures, travelling by rickshaw around the small town with his driver Jamshed and staying in a mission house beside the local presbytery where, after a chance meeting, the Padre and his adoptive daughter Priscilla take Hilary under their wing. The Padre is concerned for Priscilla 's future, and as Hilary 's friendship with the young woman grows, he begins to wonder whether his purpose lies in this new relationship. But religious tensions are brewing and the mission house may not be the safe haven it seems. A “ skillful drama of well-meant misunderstandings and cultural divisions ” (The Wall Street Journal), The Mission House boldly and

imaginatively explores postcolonial ideas in a world fractured between faith and nonbelief, young and old, imperial past and nationalistic present. Tenderly subversive and meticulously crafted, it is a deeply human story of the wonders and terrors of connection in a modern world.

This is Not Normal Feb 04 2021 What just happened and how did we get into this mess? Since the 2016 referendum, the UK has been in a crisis of its own making. But there are more reasons for this than Brexit alone. A wave of disruption has hit political parties, the mainstream media, public experts and all kinds of officials. Along the way, there have been dramatic and sometimes shocking events: the burning of Grenfell Tower and the Windrush scandal, the rise and fall of the Brexit Party, Boris Johnson 's Conservative purge and his resounding election victory. The state 's response to the pandemic was a further sign of how abnormal things had become. As the 'mainstream' of politics and media has come under attack, the basic norms of public life have been thrown into question. Authoritarian and nationalist forces advance as liberalism recedes. This Is Not Normal takes stock of a nation that no longer recognises itself. Davies finds the narrative sense behind apparently chaotic and irrational events, extracting their underlying logic and long-term causes. We are witnessing the combined effects of the 2008 financial crash, the failure of the British neoliberal project, the dying of Empire, and the impact of the changes that technology and communications have had on the public sphere. How the nation revives from the economic and political shocks of the lockdown remains uncertain. This is an essential book for anyone who wants to make sense of the current moment.

A Little Bit Scary! Sep 11 2021 A collection of rhymed tales about an unusually friendly set of monsters, ghouls, trolls, witches, giants, skeletons, and ghosts, including legendary characters like Medusa and

the Hunchback of Notre Dame.

Grandma Bird Jan 15 2022 A tender and heart-warming new story from the world of The Storm Whale. Noi isn't at all sure about staying at Grandma's. Grandma boils seaweed for soup, and there's not much to do on the tiny island where she lives where the wind cuts in and the grass grows sideways . . . But that's before Noi gets swept up in the dramatic rescue that will mark the beginning of their touching new friendship.

Beneath Another Sky Jan 03 2021 'He writes history like nobody else. He thinks like nobody else ... He sees the world as a whole, with its limitless fund of stories' Bryan Appleyard, Sunday Times Where have the people in any particular place actually come from? What are the historical complexities in any particular place? This evocative historical journey around the world shows us. 'Human history is a tale not just of constant change but equally of perpetual locomotion', writes Norman Davies. Throughout the ages, men and women have endlessly sought the greener side of the hill. Their migrations, collisions, conquests and interactions have given rise to the spectacular profusion of cultures, races, languages and polities that now proliferates on every continent. This incessant restlessness inspired Davies's own. After decades of writing about European history, and like Tennyson's ageing Ulysses longing for one last adventure, he embarked upon an extended journey that took him right round the world to a score of hitherto unfamiliar countries. His aims were to test his powers of observation and to revel in the exotic, but equally to encounter history in a new way. Beneath Another Sky is partly a historian's travelogue, partly a highly engaging exploration of events and personalities that have fashioned today's world - and entirely sui generis. Davies's circumnavigation takes him to Baku, the Emirates, India, Malaysia, Mauritius, Tasmania, Tahiti, Texas, Madeira and many places in between. At every stop, he not only

describes the current scene but also excavates the layers of accumulated experience that underpin the present. He tramps round ancient temples and weird museums, summarises the complexity of Indian castes, Austronesian languages and Pacific explorations, delves into the fate of indigenous peoples and of a missing Malaysian airliner, reflects on cultural conflict in Cornwall, uncovers the Nazi origins of Frankfurt airport and lectures on imperialism in a desert oasis. 'Everything has its history', he writes, 'including the history of finding one's way or of getting lost.' The personality of the author comes across strongly - wry, romantic, occasionally grumpy, but with an endless curiosity and appetite for knowledge. As always, Norman Davies watches the historical horizon as well as what is close at hand, and brilliantly complicates our view of the past.

Vanished Kingdoms Jun 08 2021 An evocative account of fourteen European kingdoms-their rise, maturity, and eventual disappearance. There is something profoundly romantic about lost civilizations. Europe's past is littered with states and kingdoms, large and small, that are scarcely remembered today, and while their names may be unfamiliar-Aragon, Etruria, the Kingdom of the Two Burgundies-their stories should change our mental map of the past. We come across forgotten characters and famous ones-King Arthur and Macbeth, Napoleon and Queen Victoria, right up to Stalin and Gorbachev-and discover how faulty memory can be, and how much we can glean from these lost empires. Davies peers through the cracks in the mainstream accounts of modern-day states to dazzle us with extraordinary stories of barely remembered pasts, and of the traces they left behind. This is Norman Davies at his best: sweeping narrative history packed with unexpected insights. Vanished Kingdoms will appeal to all fans of unconventional and thought-provoking history, from readers of Niall Ferguson to Jared Diamond.
